### Books

- **Rewilding - Paul Jepson & Cain Blythe**  
the radical new science of ecological recovery
- **Wilding - Isabella Tree**  
the return of nature to an English farm
- **Regenesiis - George Monbiot**  
feeding the world without devouring the planet
- **MeWilding - Polly Pullar**  
**Rewild Your Life. Start Small, Think Big. This is How.**
- **Active Hope - Joanna Macy & Chris Johnstone**  
how to face the mess we're in without going crazy
- **The Hidden Life of Trees - Peter Wohlleben**  
what they feel, how they communicate: discoveries from a secret world
- **Rebirding - Benedict Macdonald**  
Rewilding Britain and Its Birds
- **Wild Isles - Patrick Barkham & Alistair Fothergill**
- **Wild Green Wonders - Patrick Barkham**  
A Life in Nature

- An Irish Rainforest - **Eoghan Daltun**  
A Personal Journey into the Magic of Rewilding
- Rewilding the Sea - **Charles Clover**  
How to Save Our Oceans
- Bringing Back the Beaver - **Derek Gow**  
The Story of One Man's Quest to Rewild Britain's Waterways
- Wilder - **Millie Kerr**  
How Rewilding is Transforming Conservation and Changing the World
- Rewild Yourself - **Simon Barnes**  
23 Spells for Making Hidden Things Visible
- Rebugging the Planet - **Vicki Hird**  
The Remarkable Things that Insects (and Other Invertebrates) Do - and why We Need to Love Them More
- [Wild Books for 2023](#) - Rewilding Britain
- [Best books on rewilding](#) in the UK and British Isles - BBC Wildlife
- [All the books](#) we recommended in 2021 - Rewilding Magazine
- [The best rewilding books](#) - How to Rewild

## Documentaries

- **Restore: Films from the Frontiers of Hope**  
[UN documentary series](#) exploring ten places where nature is making a comeback. UN World Restoration Flagships – examples of how humanity can achieve the goals of the new Global Biodiversity Framework. Get inspired and join #GenerationRestoration.
- **ReWilding Explained | Stephan Harding**  
[Short film of ReWild Africa](#)'s mission to find solutions to ecological restoration.

- **WaterBear**  
[Interactive streaming platform](#) dedicated to the future of our planet. Using storytelling as a tool to make a difference. Climate action, biodiversity, sustainability, community, diversity and more, WaterBear provides access to award-winning and inspirational content that empowers members to dive deeper, learn more and take action.
- **Are you ready to rewild?**  
Millions of people are [rewilding Earth to help nature heal](#). You can help.
- **Wild Life**  
This National Geographic documentary is a sweeping portrait of conservationists Kris and Doug Tompkins chronicling their fight to preserve one of the last truly wild places on earth. [Watch the trailer here](#).
- **Riverwoods: the film.**  
The salmon need the forest. The forest needs the salmon. And Scotland needs them both.  
[Documentary telling the compelling story of a fish](#) that lives in the forest. And in the soil that feeds the forest. And in the predators, scavengers and even herbivores of the forest. Scotland's Atlantic salmon - the King of Fish - is not only the ultimate angler's prize, but a key building block in a complex forest ecosystem.
- **Heater of Hope**  
The story of how an environmentally sustainable, energy efficient and affordable water heater [project by the Wildlife Conservation Trust](#) is likely to help reduce deforestation, improve human health, and reduce human-wildlife interactions, in villages around forests.
- **Our Planet - Netflix**  
[Experience our planet's natural beauty](#) and examine how climate change impacts all living creatures in this ambitious documentary of spectacular scope.
- **Wild Isles**  
Series to reveal a previously [unseen wild side of the UK](#) - and show why our isles are so important globally for nature.

## Articles

- The Ecological Citizen: [Rewilding Successes](#). A wide collection of hopeful articles that illustrate a range of rewilding successes happening right now.
- Rewilding Earth: [Rewilding Successes and Lessons](#). A collection of articles that will not fail to inspire you - have a scroll!
